## Village Visit Module through Rural Self Employment Training Institutes

Rural Self Employment Training Institute (RSETI) are setup in most of the districts across India and this structure may be visited during the village visits as institutions of change. RSETI can also be roped in for organizing the entire village visit. As the RSETI are closely linked with the Lead Commercial Bank in the District, the village visit for the Banking sector officers at induction level may be organized through RSETI.

During the village visit the trainees must have sessions on interaction with Panchayat, interaction with the schools, see mid day meal programme implementation, Primary Health Care Centers, have exposure of SHG functioning, Farmers Processing Organization functioning, Rural Self Employment Training Institutes & Krishi Vikas Kendra modules, the Business Correspondence functioning, the financial inclusion programmes, other government initiatives like swatch bharat mission, WASH prog., Jan-Dhan, DBT, Ujjawala and any other programme of Government of India or State Government and also must interact with the villagers to know whether these programmes have made the changes in their lives and what other problems they face in their day to day life. This will help in creation of empathy and a connect with the real life issues of rural India.

Sr. No	Activity	Tasks assigned		
Day 1				
01	Briefing	Briefing about the programme		
02	Group activity (Operation/ Functions of RSETI)	Role, function, structure of RSETI Training activities Financial linkages Success stories		
03	Group activity	Meeting with lead District Manager (lead commercial bank) Meeting with District Development Manager (NABARD) Meeting with the District Administration
